

SPECIAL MMM/RAL JOINT SEMINAR

Developing a regional modelling system for weather forecasting and climate applications in partnership.

Jon Petch

United Kingdom Meteorological Office

I will present an overview of current and planned efforts to evaluate and develop the kilometre grid-scale regional modelling system in the Met Office. This will include current and longer term research and developments as well as specific results from recent evaluation activities. I will also highlight the important of science partnerships in the Met Office in underpinning this activity.

***Monday, 15 July 2019, 11:00 AM**

***Please note special day/time & location**

Refreshments 10:45 AM

NCAR-Foothills Laboratory, 3450 Mitchell Lane

FL2-1001 Small Auditorium

This seminar will be webcast live at:
